

Books You Thought You'd Never Find

For a cherished children's book from your past, a service manual for a '64 Mustang, or that cookbook filled with your grandmother's favorite recipes, visit Alibris, your online source for hard-to-find books.

I am writing to request that you grant the petition to prohibit the slaughter of downed animals, # 98P-0151/CP1.

Thank you,

Jennifer A. McCullough
